EDUCATION

B.E| Information Science and Engineering
Alva's Institute of Engineering and Technology

08/2019 - 05/2023   *8.16(CGPA)*

PUC| Karnataka State Board
Christ King PU College

06/2017 - 03/2019   *90.5%*

SSLC|CBSE
Prakruti National School

06/2015 - 03/2017   *10 (CGPA)*

PROJECTS

AIETReads-Digital Campus Library Management System

Detecting Drowsiness of the Driver using Deep Learning

Developed an interactive portfolio website to display personal projects and achievements

INTERNSHIP

Java full stack web development internship training
Q-Spiders

04/2022 - 10/2022
Achievements/Tasks

- Applied object-oriented programming concepts to solve problems and develop efficient solutions.
- Utilized data modeling techniques and executed SQL commands for database management, including DDL, DML, and DQL operations.
- Developed dynamic and responsive web pages using JavaScript, HTML, and CSS and Bootstrap to enhance user experience.
- Implemented Java programming for database operations, including the execution of CRUD operations and JDBC for seamless data interactions.
- Contributed to server-side Java development using Servlets and JSP, and used the Spring framework for efficient application development.
- Played a key role in developing web applications that use databases, using technologies like Servlets, JSP, and JDBC , MySQL to support dynamic web funtionalities .

TECHNICAL SKILLS AND TOOLS

Programming Languages : C , Java

Web Development : HTML5, CSS3, Javascript, Bootstrap

Database : SQL

Technologies : Eclipse IDE, MySQL Workbench, VS Code, Android Studio, GitHub, Jupyter Notebook, Anaconda, Google Colab

OS : Windows and Linux

EXTRA CURRICULARS

Volunteered and actively contributed to the planning and execution of the inter college TechCrunch technical event as a branch representative and member.

Managed and organized college film fest and food fest events, handling tasks such as coordination, and scheduling.

Successfully volunteered for and managed the Avani Branch Fest, organising various games and competitions.

CERTIFICATES

NPTEL - Certification of IIT Kharagpur on Programming in Java

PrepInsta-Nano Degree Full Stack Web Development (MERN)

Infosys Springboard - Programming Using Java
